

A preview of Respiratory Drug Delivery (RDD®) Europe 2019

Respiratory Drug Delivery (RDD®) Europe 2019 will be held May 7-10, 2019 in Lisbon, Portugal, at the the Estoril Congress Center, located 30 minutes from the Lisbon International Airport.

Plenary lecture, sessions and workshops

The plenary lecture, “Emerging Treatment Guidelines in COPD: Unravelling the Triple Therapy Trials,” will be presented by Jadwiga Wedzicha, MD, Professor of Respiratory Medicine, National Heart and Lung Institute, Imperial College London.

Sessions will address:

- New approaches to treating old diseases
- Pipes, particles and predictions: New insights into deposition
- Reinventing inhalers for the digital age
- Take a deep breath: Brexit and environmental sustainability
- New approaches to inhalation product development and production

Twelve companies will present 60-minute interactive workshops and each attendee may participate in three workshops.

Posters, exhibition, gala dinner

A scientific poster session will be presented in conjunction with a technology exhibition to promote scientific discussion and networking and will last throughout the conference. In addition, a session will feature posters on the podium. A gala dinner will be held on Thursday, May 9.
